[SPECIAL CORRESPONDENCE.]

Paris, June 30.—M. Barthou, Minister of Commerce, has authorized the Cyclone Line of steamers to suspend all quarantine precautions on their Mediterranean ports. [SPECIAL CORRESPONDENCE.]

London, June 30.—The Standard's Dublin letter to the New York Tribune says that the political friends of Parnell are beginning to realize that the action of Parnell's colleagues in the House of Commons and in other ways has caused considerable dissatisfaction in the ranks of the Irish party. The feeling has been aroused that Parnell's action in the matter of the Galway election has been unjustifiable, and that the Irish party has been seriously damaged by the course which he has taken. The Standard's correspondent says that he has ascertained that many of Parnell's friends are willing to make any reasonable concession to secure the reunion of the Irish party

MANDEL BROTHERS.

The masterful success still attending our "unparalleled clearing sale" leads us to make further announcement respecting its continuance.

Tomorrow (Monday), July 2, we enter upon the third week of this the greatest Dry Goods offering ever known in the West, and take pleasure in stating that we have yet in reserve attractive bargains in every department, to which we invite the attention of the ladies of Chicago and the entire Northwest.

Notwithstanding the comparatively unpleasant weather during the past week, our store has been crowded day after day; orders have come from near and far, and we feel assured that thousands have been made happy in securing such bargains as come but once in a lifetime.

We are pushing the suitable enlargement of our quarters as rapidly as human power can accomplish it, and in the meantime shall make still greater sacrifices in disposing of our enormous wholesale and retail stock, all of which is new, fresh, and desirable; besides, adding such novelties in various departments as our European and New York representatives may secure in cash purchases.

A visit to any single department will convince you of our ability and intentions.

THE Admiration OF THE WORLD. Mrs. S. A. Allen's WORLD'S Hair Restorer IS PERFECTION!

Public Benefactress, Mrs. S. A. Allen's World's Hair Restorer has restored the original color to my hair, promoted its luxuriance, and stopped its falling out. The World's Hair Restorer gratifies instant to every observing friend, and seems to me to be all that is claimed for it. I am satisfied that the preparation is not a dye, but acts on the secretions. My hair seems to fill, which is certainly an advantage to one, who was in danger of becoming bald." This is the testimony of all who use Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER.

COMPLEXION PURE. "My hair is now restored to its youthful color; I have not a gray hair left. I am satisfied that the preparation is not a dye, but acts on the secretions.
